2. Letter No. H.C. 80—54-55, dated the 27th July 1954, from the Municipal Commissioner, Davangere City Municipality, furnishing the views of the Municipal Council in the matter.

ORDER No. L. 8378-82—C.M. 86-54-6, DATED BANGALORE, THE 12TH OCTOBER 1954.

In accordance with Article 241 (i) of the Mysore Municipal Accounts Manual, a City Municipal Council is empowered to sanction works not exceeding Rs. 5,000 in each case. This Article has been incorporated in the Municipal Accounts Manual in pursuance of a Government Order of the year 1896.

2. The Municipal Commissioner, Mysore City Municipality, forwarded proposals for the enlargement of powers of the Municipal Council to sanction and take up works up to Rs. 10,000 as the Article 241 (i) of the Municipal Accounts Manual was incorporated long back in the year 1896 and since then the cost of materials and labour has gone up and that in practice it has been found that this monetary limit is hardly sufficient to take up even small works without sanction of Government.

3. He also quoted the practice prevailing in the Corporation of the City of Bangalore and stated that according to Sections 77 and 78 of the Bangalore Municipal Corporation Act, 1949, the Commissioner is empowered to sanction estimates not exceeding Rs. 3,000, the Standing Committee Rs. 10,000 and the Corporation Rs. 50,000. Therefore, the Municipal Commissioner has requested amendment of Article 241 of the Municipal Accounts Manual so as to enhance the power of the Municipal Council regarding sanction of estimates in the interest of expeditious discharge of work as resolved by the Municipal Council in this behalf.

4. The City Municipal Council, Davangere, have also made a similar request.

5. Government consider it necessary to enhance the powers of the City Municipal Councils and accordingly direct that the City Municipal Councils may sanction estimates and take up works not exceeding Rs. 10,000 after getting the estimates scrutinised by the competent authorities of the Public Works Department.

6. The Controller, State Accounts Department, is requested to issue necessary correction slip to the Municipal Accounts Manual.
